F-900 FOG MACHINE

The F-900 by Global Special Effects is a compact, value-sized fog machine designed for spaces where concealment is key. Despite its small size, the F-900 delivers impressive output, creating a nice atmospheric fog effect with ease. Perfect for events, performances, or any setting where space is limited, this portable machine is easy to transport, set up, and operate. Its user-friendly design makes it an ideal choice for those seeking powerful fog effects without the hassle of bulky equipment. Get the professional touch with the F-900 fog machine – big on performance, small in size.
