SPECIFICATIONS

Continuous Flow Confetti Gerb Launcher

The Continuous Flow Confetti Gerb Launcher by Global Special Effects is designed to deliver a high-impact experience with a continuous blast of confetti, making it perfect for concerts, sports, corporate events, parades, events, and more. Unlike standard single-shot effects, this powerful launcher provides an extended stream of confetti, launching up to 75+ feet into the air. Built for performance and reliability, it features a rugged frame and 3-inch barrels, capable of launching up to 1 pound of confetti per second.

SIZE:

Fully Assembled: 35" at tallest point
36" at widest point

Base: 20"L x 9"W x 28"H
