Cryo Gun - CO2 Blaster

The Cryo Gun by Global Special Effects is a handheld CO2 cannon designed to deliver instant bursts of dramatic, high-impact fog. Ideal for DJs, performers, festivals, nightclubs, and stage productions, this lightweight yet powerful CO2 gun blasts dense plumes of chilled fog 15+ feet, instantly transforming the atmosphere and exciting your audience. The fog effect is cold to the touch, safe for indoor and outdoor use, and dissipates within seconds, making it the perfect tool for interactive stage effects without the mess or lingering residue.
